# STYLE WITH SOUL

## SETTING THE STAGE FOR STYLE: WILVORST AND LINEA RAFFAELLI AT EBW 2026

[European Bridal Week](#) 2026 returns as the premier B2B platform for bridal fashion in Europe and beyond! From 28 – 30 March 2026 at Messe Essen, Germany, international retailers and buyers will come together to explore the latest collections, forge new partnerships, and stay ahead of trends shaping the global bridal market.

We are thrilled to welcome **Wilvorst**, showcasing their distinguished collections for grooms and wedding communities, alongside **Linea Raffaelli**, the Belgian brand renowned for its sophisticated occasionwear.

### WILVORST: DEFINING GROOM FASHION ACROSS EVERY MOMENT

Presenting its complete menswear portfolio at [EBW](#), **Wilvorst** unites strong, clearly positioned collections – from classic elegance to avant-garde statements and modern semi-formal looks – complemented by coordinated accessory lines and specialised concepts.

#### Wilvorst since 1916 – Wedding Destination Weekend

This collection places the groom at the centre of a multi-day wedding celebration. Timeless silhouettes meet contemporary colours such as Naples Blue, Salbei Light, and Aperol, alongside classic black and midnight tones. In addition to groom looks, Wilvorst offers coordinated styles for best men, fathers, and guests, creating a harmonised total wedding concept.

#### TZIACCO – Royal Romance Meets Modern Edge

TZIACCO stands for individuality and expressive design. Luxurious fabrics, signature waistcoats, and refined details define the collection, while soft shades like Aqua, Rosé Light, and Beurre Blanc add freshness. A distinctive choice for grooms seeking statement elegance with personality.

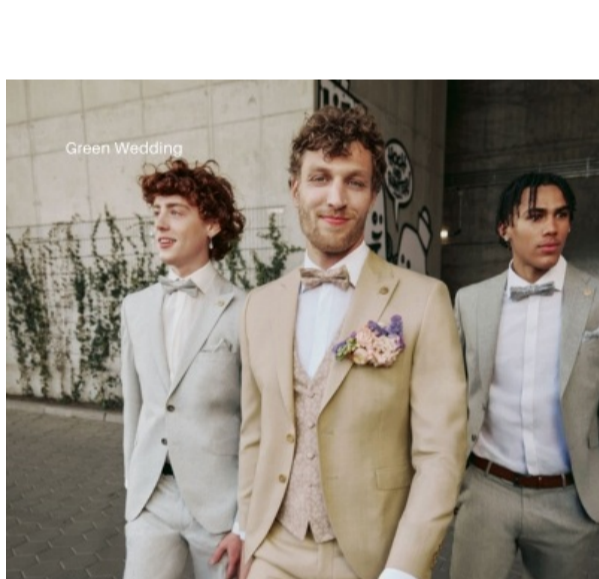

#### Atelier Torino – Glam Vintage

Urban sophistication meets comfort. Modern semi-formal suits in powdery monochrome tones, lightweight fabrics, and high-stretch jersey qualities offer relaxed elegance for today's groom. The **Atelier Torino Community** line extends the range to guests and special occasions beyond the wedding day.

#### Green Wedding: Elegance with Responsibility

Further collections within the Wilvorst portfolio – including the Green Wedding concepts and comprehensive accessory programmes – complete the offering, providing retailers with a commercially strong, cohesive menswear assortment.

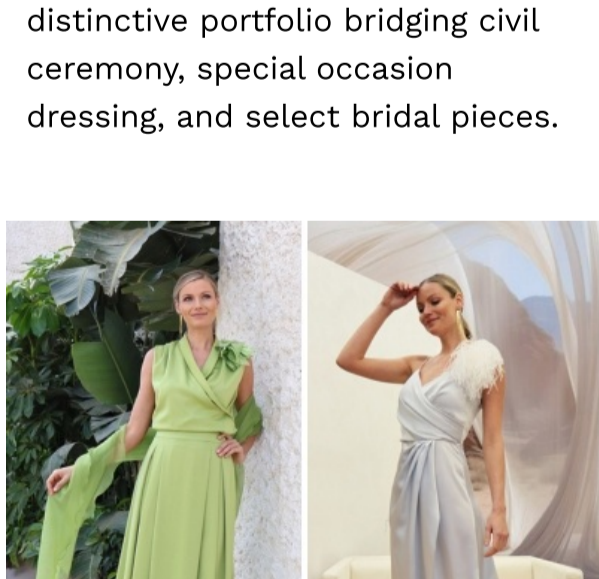

## LINEA RAFFAELLI – BELGIAN ELEGANCE WITH A COUTURE SOUL
