## MAKE EVERY LOOK LEGENDARY: BRIDAL ACCESSORIES AT EBW 2026

Wedding gowns might steal the spotlight, but accessories are where the magic happens, turning a bridal look from lovely to legendary. At [European Bridal Week](#) 2026, taking place from 28 - 30 March 2026 at Messe Essen, Germany, accessory exhibitors are redefining bridal style, offering bolder, more diverse, and personality-packed pieces that allow every bride to express her unique flair.

From veils and tiaras to jewellery and statement footwear, accessories are no longer just finishing touches; they are essential in creating unforgettable bridal looks, with shapewear and foundation pieces adding the perfect final flourish.

**G. Westerleigh's** collection features nearly 150 accessories, with many exciting new additions for the upcoming season. Brides can expect pearl-adorned shoes, bridal sneakers, and vibrant jewellery with emerald green accents that bring a fresh, modern twist to traditional bridal elegance.

From 12 shoe styles in 2014 to over 400 today, **The Perfect Bridal Company** offers beautifully customisable bridal footwear, 70+ veil styles, and more than 100 exquisite hair accessories, gloves, and capes, ensuring the perfect fit and finishing touch for every bride.

## CHIC HEADPIECES AND BOLD ACCESSORIES

Bridal headpieces are evolving beyond traditional, formal styles. Brides are choosing contemporary, chic designs over outdated staples such as baby's breath or tiaras.

From elegant gold hairpins to delicate, minimalist pieces, modern headpieces complement any hairstyle – up, half-up, or down – and especially textured hair, offering a sophisticated, personal touch.

**Warren York**, part of Hilary Morgan, blends classic British elegance with versatile, budget-friendly accessories, ensuring seamless pairings with any dress style.
